Imagine if you could train for extreme conditions—like warfare or medical emergencies—in the safety of your own living room, without sacrificing authenticity. Cinema Suite Inc. thought it was possible. Cinema Suite Inc, an animation spin-off of Javelin Technologies Inc., has begun exploratory development of new “virtual training” (VT) solutions for combat journalists to learn basic first aid on the battlefield—before they ever set foot in the field. Cinema Suite paired up with the George Brown School of Design to improve their VR training tool and to create new immersive scenarios, making gaming a little more serious.
