Project Description, Rationale and Fit, Methodology (900 words maximum)

Provide a level of detail, elaborating on the summary section above, that enables the reviewers to understand what the project is trying to achieve, the plan to achieve the goals and why this work is important to help the HNAF achieve its goals. This is also an opportunity to showcase your experience and capacity to successfully carry out the proposed project.

Note: Use the following headings:

- *Project Goals and Relevance*
- *Rationale and Fit with HNAF goals*
- *General Work Plan and Research Methodology*
- *Project Co-Applicants and Collaboration Involved*
- *Anticipated Outcomes and Benefits (Immediate/Short-Term/Long-Term)*
- *Capacity to Implement Outcomes or Findings*

Benefits (300 words maximum)

Describe specifically how the project will benefit:

- *Targeted client groups*
- *George Brown College students*
- *George Brown College*
- *Other stakeholders*

Knowledge Dissemination (300 words maximum)

Describe specifically how the project will disseminate the knowledge gained from the project beyond the immediately targeted client group. What actions will be pursued to extend and maximize impact for public benefit?

Note: A Knowledge Dissemination and Impacts Report will be expected one year after project completion to help capture longer-term outcomes and benefits.

Key Personnel	
<i>(Please list and describe up to four key personnel involved with the proposal from either the Lead Applicant organization or George Brown College)</i>	
Name	Role
1. <i>(Name)</i>	<i>(Role)</i>
2. <i>(Name)</i>	<i>(Role)</i>
3. <i>(Name)</i>	<i>(Role)</i>
4. <i>(Name)</i>	<i>(Role)</i>
Proposed Project Schedule	
Start date:	
End date:	

Work Plan, Deliverables, Timelines			
<i>Please provide a detailed work-plan, including dates, activities, personnel required, and deliverables and/or end results.</i>			
Due Date or Date Range	Activity	Personnel	Deliverable/Outcome
e.g. June 1 – 20, 2016	Develop 15 written recipe concepts for selection	Principal Investigator (PI), student researcher	Select 10 concepts for further development
Budget			
<i>Complete the attached budget spreadsheet. You will be required to report against your budget in regular status reports. Eligible expenditures include: salaries (students, full-time faculty release time or part-time faculty, applicant personnel), travel, phone, contract services, materials, participant honoraria, etc.</i>			
Other Funding			
Have you applied for or received any other funding for this project? Please describe.			
Lead Applicant Letter of Support			

George Brown College / The Helderleigh Foundation Partnership
Helderleigh Nutrition Application Fund

A letter of support from the Lead Applicant signed by the Executive Director (or equivalent) must accompany your application: a. confirming commitment to the project and its goals; b. stating the expected benefits to the organization; c. confirming commitment of the stated resources (cash and/or in-kind amounts; personnel); d. confirming that the Lead Applicant is capable of finishing the project within six months; e. declaring that the organization is in good standing and current with all applicable CRA filings; and, f. declaring that there are no conflicts of interest.

Additional Letter(s) of Support

Letters of support are also required from each Co-Applicant organization, as well as any organizations representing targeted client groups for this project. For the former, a letter of support: a. confirming commitment to the project and its goals; b. stating the expected benefits to the organization; and, c. confirming commitment of the stated resources (cash and/or in-kind amounts; personnel).

LEAD RESEARCHER

Name:
